

## ABOUT ME

Spending years of my time doing extra projects and hobbies, it has allowed me to have an active lifestyle and continue to push myself. Being involved with the RAFAC, it has taught and evolved my transferable skills. Driving also allows me to travel.

# SOPHIE CLENNELL

## WORK HISTORY

Future Cop II Short Films, Anthony Wright- 1<sup>st</sup> AD and DOP

- Reaching to near 10,000 views on social media together.
- Having a small crew and large cast.
- Pushed my networking skills to involve a range of people in this film (props, costumes and, animals).
- Official selection of Lift-Off Sessions Festival.

The Wind-Up Short Film, Callum Hughes- 1<sup>st</sup> AD and DOP

- Be able to multitask with other projects at the same time.
- Organise the project with a large cast and small crew.
- Dealt a range of big, serious issues. Performed first aid on set.

Dippy The Diplodocus Documentary, Anthony Wright- Gaffer and DOP

- Reaching over three thousand views across social media.
- Be able to assist in other departments such as sound.
- Creating a visual that the director exactly wanted.

Ford Branded Video, Sophie Clennell- Filmmaker

- Allowed a good rapport and planned for future projects.
- Being able to create content independantly.
- Collabing with them to be involved with other projects.

TED x Talks Event- Camera Operator

- Involved in two events 2019- 2020.
- Used Black Magic cameras and had two Panasonic lenses.
- Reached thousands of views on their YouTube channel.

NHS Educational Video- 1<sup>st</sup> AD, DOP, and Editor

- Being able to make a film in a different language.
- Make the purpose of the video clear and detailed by showing, not telling.
